August 12, 2015

Genesis Schools, Inc (GSI), located in Tonganoxie, and encompasses Genesis Christian Academy and Preschool, would like to invite your business to consider becoming a Corporate Sponsor, referred to as Business Partners, for the 2015-16 school year. Our sponsorship levels start at \$100 and go up to \$750.

As a Business Partner, your business would gain exposure at every event hosted by Genesis during the coming year. Genesis puts on several large fundraisers a year, which draws approximately 300-500 school and community members to each event. In addition to these events, the school hosts multiple all-school programs throughout the year.

Tuition alone does not cover the financial needs of the school. Thanks to the generosity of businesses and individuals, Genesis has provided high-quality, Christian education for a reasonable cost to families in Tonganoxie and the surrounding area for 16 years. Your contribution would go toward needs at the school, such as text books, upgraded technologies, transportation, facility improvements, and scholarships.

GSI is a 501(c)(3) and all donations are tax deductible.

Your partnership will help assure the continued success of students preschool - 12th grade at GSI. Our mission is to exalt Christ by teaching and reinforcing Biblical truths while producing well-rounded, highly educated young people who are equipped to serve God and others. This is why we are asking you to consider becoming a Business Partner for 2015-16!

Enclosed, please find more information on our school and this valuable opportunity. Please direct any questions to Sara Houk, our Business Partners Liaison, at sarabethhouk@gmail.com or 785-840-7146.

Thank you for your time and consideration,

Genesis Christian Academy and Preschool
